Deep Cleaning of Pavement around Towers

– a new Initiative

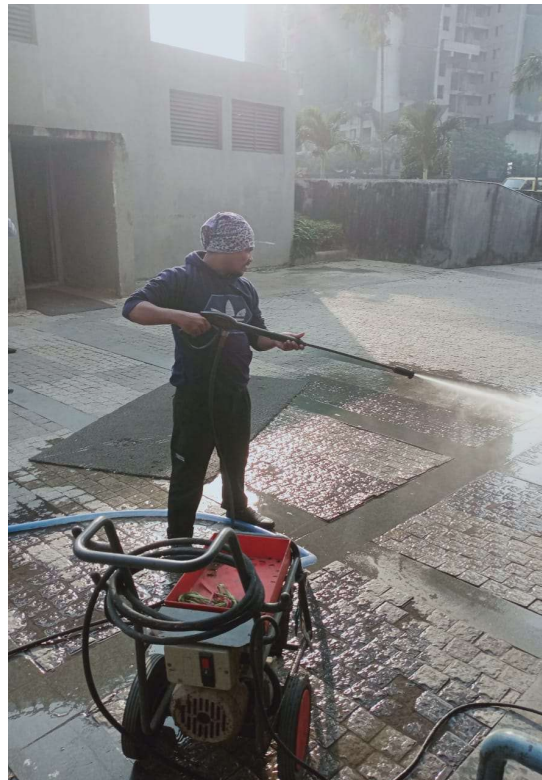

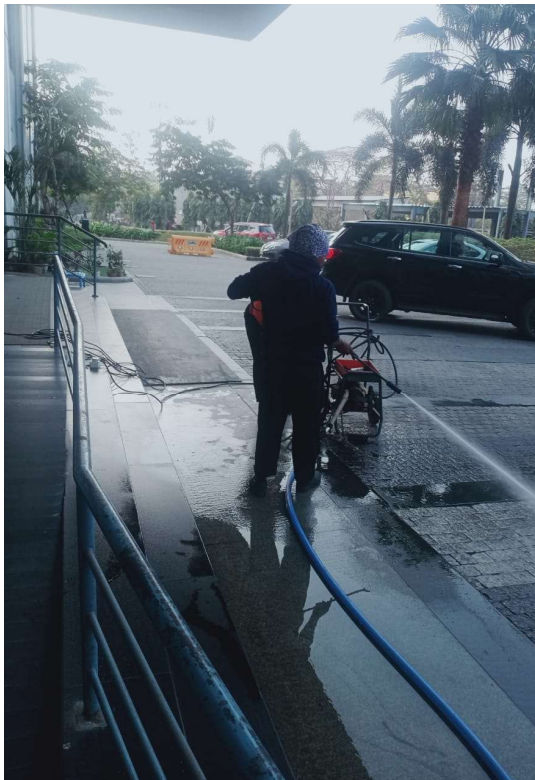

UAAO Aesthetics committee to improve overall look & feel and to ensure cleanliness around Towers, for the first time at Urbana, on experimental basis, engaged the housekeeping team before Diwali'24 to deep clean the pavement around Towers using hi pressure jet pump, the result was encouraging.

With the advent of New Year, it was decided to make it a routine to clean the pavers around Towers twice every month using high pressure jet pumps.

This is a joint initiative of *Aesthetics* and *Clean Urbana* committees, thanks to Mrs. Debjani Mukherjee and Mr. Rajesh Singhal, Convenor and Co-convenor of *Clean Urbana* committee. Kishore Haldar, Supervisor and the Housekeeping team deserve all praise for carrying out the task with all sincerity.

In the month of January 2025, cleaning was done twice at each Tower:
